That day was red,
That days dream was red,
Are those petals truly happiness?
One more time, One more time, rai rai rai rai~

I hand out the crimson petals,
Make a wish, spin spin spinning.
Everyones eyes are on me.
Meanwhile inside my head...

(Everybody, don’t come here! x 4)
Poppies grow

(Rai rai rai... x8)

What is Happiness? What is Satisfaction?
Am I dead? Do I exist?
Isn’t the Poppy field fun?
Still spinning, still spinning, spin spin spin spin spin spin spin~
Spin spin spin spin spinning x4

Let us play and dance

Are those petals truly happiness?
Tomorrow let's play in the poppy field again~
